Scribble Barstool

The Scribble seating range interprets a series of random lines that travel around a page and meet in a tangle in the middle. The Scribble collection includes a low and high-back chair, armchair and barstool. The Scribble collection features a plywood shell upholstered in a choice of house fabric, leather, or to clients own specification. The mild steel frame, available in sled or swivel formations, is finished to bright chrome or a choice of house powdercoat colours.
