C607 Barstool

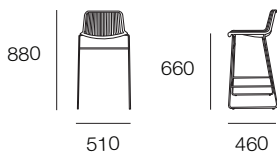

by Yuzuru Yamakawa

The C607 barstool by Feelgood Designs is suitable for commercial, hospitality and residential settings. The indoor version features a woven rattan shell in natural or charcoal with a polyurethane finish on a black powdercoat sled base. For outdoor use, the C607 barstool is available with a black or wheat colour polyethylene shell on a black powdercoat sled base or white polyethylene shell on a white powdercoat sled base. The standard seat height is 660mm suitable for a 900mm bench height. A 750mm seat height or 4 leg frame model is available for a minimum order of 30 units.

Please note, Feelgood products are available in NSW, ACT, SA, WA and Singapore only.
