by Cornwell Hecker

The Case One lounge collection makes a statement. With no loose cushions, Case One from Stylecraft is suitable for foyer areas and public spaces, although scatter cushions allow a personal touch. Comprising a single armchair, lounge in two sizes and a modular form in 2 sections extends the length to a six person capacity. The hardwood frame is fully upholstered in clients selection of fabric or leather, whilst the slim line feet are available in bright or satin chrome. For projects requiring environmental certification the legs are available in stainless steel or powdercoat.
