Please note, Feelgood products are available in NSW, ACT, SA, WA and Singapore only.

Utilising the warmth of natural rattan, the Kaki barstool is a striking design due to the contemporary design of its cantilevered leg. Available with or without a backrest, the indoor version of the Kaki barstool features rattan in a natural finish or stained to graphite or rust. An outdoor version is available upon request with a polyethylene seat in wheat or charcoal. The cantilever frame is always finished to charcoal powdercoat. Kaki is a cohesive collection that includes a low stool, chair, armchair and lounge.
