Kaki Low Stool

by Jamie McLellan

Please note, Feelgood products are available in NSW, ACT, SA, WA and Singapore only.

Contemporary in its design with a cantilevered leg, the Kaki low stool is ideal for hospitality settings and informal meeting spaces and breakout areas within the workplace. For indoor environments, the Kaki low stool features a rattan seat in either a natural finish or stained to graphite or rust. An outdoor option is also available upon request, with the polyethylene core seat in a choice of wheat or charcoal. The cantilevered base is always finished to charcoal powdercoat. Kaki is also available as a chair, armchair and lounge to ensure a consistent aesthetic throughout a space.
