Oblique Lounge Chair

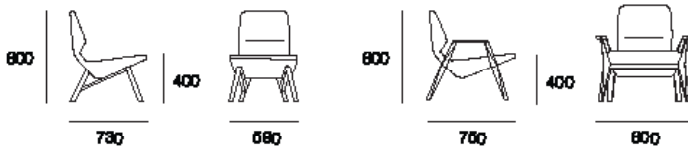

by Numen/For Use

A statement in workplace or domestic settings is the Oblique lounge chair from Prostor. With a reference to retro designs, the Oblique lounge chair features a characteristic profile and is available with or without timber armrests.

An internal bent plywood structure defines the shape and comfort of the lounge with upholstery from a range of house fabrics. The solid timber frame, and armrests if specified, is available in solid Oak, in a choice of three house stains, or the warmth of a solid walnut frame may also be considered.

Oblique is a complete collection, also featuring a dining chair or metal frame chair with timber armrests.
