Osmo Chair

by Numen/For Use

The design of the Osmo chair is characterised by the inclination of the front legs combined with angular lines, framing the seat and backrest.

Ideal for hospitality, domestic and commercial outdoor environments, Osmo chair features a timber or metal seat and backrest. The timber option is available in a choice of Larch, Iroko or Teak with the metal frame and seat powdercoated in a choice from ten house colours.

The Osmo outdoor collection also comprises a lounge chair.
