# Catifa 53 5 Way Castor & 5 Way Glides

By Lievore Altherr Molina

The Catifa 53 chair with 5 way castor base and 5 way glides by Arper are suitable across many commercial or home office applications. The shell is available in matt polypropylene in a range of house colours, or can be fully upholstered in fabric or leather with line stitch detail. Front face upholstery where the textile juxtapositions with the polypropylene back adds a unique touch.

Available with or without arms, the 5 way castor base and 5 way glide bases are in a polished aluminium finish and the 5 way castor base features gas actioned height adjustment.

## Lead time

The Catifa 53 5 way castor base with select colour polypropylene shells is a stocked item. Full or front face upholstery requires a lead time of 6 weeks. When components are out of stock a lead time up to 14 weeks may be necessary.

The Catifa 53 5 way glide base carries a lead time up to 14 weeks.

## Warranty

7 year structural warranty

## Certification

ISO 14001  
GECA

## Maintenance

Refer to Stylecraft care + maintenance guide

## Polypropylene Colours
