Trifidae by Prostoria is a family consisting of three distinct designs arising from a single origin; a triangular form.

The Trifidae range is constructed from a moulded foam shell with upholstery from a selection of house fabrics and leathers. The lounge, easy chair and armchair may be upholstered in solid colour or each segment may feature a contrast colour to enable an individual style.

The cast aluminium base is finished to polished or house powdercoat colour or alternatively an Oak timber base featuring a house stain finish may be specified.

Trifidae is a complete family with a complementary ottoman also available.
